Thirty-Eighth Annual Exposition of the
West Virginia Agricultural and
Mechanical Society is At-
most at Hand.

The great Clarksburg fair will be held this year August 29, 30 and 31 and September 1. It promises to be the greatest in the thirty-eight years of the society's existence. Special attractions have been arranged for and an extensive program has been prepared.

The annual fair book has just been issued from the Telegram office, giving full information as to premiums, program and so on, and can be obtained at any of the banks and other public places. The coming exhibition is being thoroughly advertised with the view to interesting all the people in the several counties in the central part of the state and it is expected that the attendance will be the largest in history. Hotel accommodations are more extensive and attractive than ever and none need go without a bed or food. There will be ample entertainment for all visitors.

The annual book shows a careful revision of the premium list in the various departments, with a view to promoting the various industries and vocations, skill, science and handicraft, as well as the breeding of fine stock.

That the exhibits may be numerous and of superior quality the hearty cooperation of all is earnestly solicited and the management is anxious that all the classes be completely filled.

All entries this year will be made at the office of the secretary, James N. Hess, at the Empire National Bank, in the Oak hall building, Clarksburg, W. Va. Entry books will be opened August 22 and closed August 27 at 6.00 o'clock p. m. In all classes of speed the books will be closed August 27 at 8.00 o'clock p. m.

End of Bitter Fight.

"Two physicians had a long and stubborn fight with an abscess on my right lung," writes J. F. Hughes, of DuPont, Ga., "and gave me up. It conquers all coughs, colds and throat and lung troubles. Guaranteed by Stone and Mercer and F. G. Bland. Price 50c and \$1.00. Trial bottles free.

A Chance for Northern Farmers.

Are you tired of our cold northern winters, with their sickness and disease? Are you tired worrying over the danger of a crop failure and consequent financial ruin? Are you tired of working hard all season without a fair financial return on your efforts? Do you want to avoid all this, and live in a country where the air is always balmy and the climate healthy; where crop failures are unknown and financial troubles vanish; where land can be bought cheaply and taxes are almost nothing; where churches and schools are plentiful and the country thickly settled? All of these advantages can be secured along the lines of a double tracked railroad, and with the greatest markets in the United States at your very door. A postal or letter addressed to the undersigned will bring you FREE OF CHARGE, descriptive matter and full particulars. E. A. RICHTER, T.P.A., Ill. Cent. R. She doctored with several eminent physicians and at a great expense, only to grow worse until she was unable to do any kind of work. One Woman Among the Thousands.

We received a letter from Waycross, Ga., from a woman who had been troubled with female complaint for a long time, until she was reduced to almost a shadow. It affected her mind, she could not remember anything, would get confused and so nervous and irritable she could hardly sleep. She described her case as one similar to thousands of other women, and then sends the letter by saying she had gained 18 pounds last month and never felt better in her life, having no trace of her former troubles, slept well, and ate her meals with a relish. She commenced the use of Dr. Gunn's Blood and Nerve Tonic just six weeks before she wrote the letter from which we copy the above. This tonic is in tablet form and should be taken right after meals. It turns the food you eat into strong rich blood, feeding the nerves and curing disease by making healthy flesh. Sold by all druggists for 75c per box or 3 boxes for \$2.00. Pale, weak, thin people should use this Tonic. For sale by Stone & Mercer, druggists.

Taken With Cramps.

Wm. Kirmse, a member of the bridge gang working near Littleport was taken suddenly ill Thursday night with cramps and a kind of cholera. His case was so severe that he had to have the members of the crew wait upon him and Mr. Gifford was called and consulted. He told them he had a medicine in the form of Chamberlain's Colic, Cholera and Diarrhoea Remedy that he thought would help him out and accordingly several doses were administered with the result that the fellow was able to be around next day. The incident speaks quite highly of Mr. Gifford's medicine. Ekader, Iowa, Argus. This remedy never fails. Keep it in your home, it may save life. For sale by Stone & Mercer.
